

IN CASE OF AN EMERGENCY OR FIRE AT LINCOLN PLAZA TOWERS

DO YOU NEED HELP TO LEAVE THE BUILDING? CAN YOU HELP?

The LPTC Board and your neighbors want to ensure that, in case of an emergency, building staff and Fire Department personnel can quickly reach residents who require assistance to evacuate. We are also asking residents who are willing and able to provide emergency assistance to identify themselves, so that they can be contacted should the need arise.

The list of residents requiring assistance, and the list of residents with emergency skills will be compiled by the Charles H Greenthal Management, LPTC's managing agent. This information will only be used in the case of an emergency.

FOR YOUR SAFETY AS WELL AS OURS, WE NEED TO HEAR FROM YOU!
Please return this form to the attention of Charles H. Greenthal to the Front Desk promptly.
Thank you!
